

Thanksgiving Day 2020

Thank YOU!

We proudly wear our masks to protect ourselves, others, and to slow down the spread in honor of front line healthcare workers.

Special thanks and appreciation to our front line healthcare providers, administrators and support teams, public health leaders, community organizers, scientists, patient and nursing home advocates, and essential workers. We thank you and appreciate the dedication, passion, and commitment you provide to all in need each and every day and during this unprecedented pandemic. Thank you and blessings and good health to you and your loved ones.....
